2. Introduction

2.1 This policy has been developed to embed safer recruitment practices and procedures throughout Norton College and to support the creation of a safer culture by reinforcing the safeguarding and well-being of children and young people in our care. This policy complies with guidance outlined in "Keeping Children Safe in Education (2021)".

2.2 This policy reinforces the expected conduct outlined in the Code of Conduct for Staff as well as the College's Whistle Blowing Policy with which all staff are expected to be familiar with. All successful candidates for paid or volunteer employment will be made aware of these documents.

2.3 This policy is an essential element in creating and maintaining a safe and supportive environment for all students, staff and others within the College community and aims to ensure both safe and fair recruitment and selection of all staff and volunteers by:

- attracting the best possible candidates/volunteers to vacancies

- deterring prospective candidates/volunteers who are unsuitable from applying for vacancies
- identifying and rejecting those candidates/volunteers who are unsuitable to work with children and young people

2.4 Norton College is committed to using procedures that deal effectively with those adults who fail to comply with the school's safeguarding and child protection procedures and practices.

2.5 As an employer we are under a duty to refer any allegation of abuse against a member of staff to the Designated Officer for the local authority (LADO). A referral will be made if a teacher or member of staff (including volunteers) has:

- behaved in a way that has harmed a child, or may have harmed a child
- possibly committed a criminal offence against or related to a child
- behaved towards a child or children in a way that indicates he/she would pose a risk of harm if they work regularly or closely with children

2.6 As an employer we are under a duty to refer to the Disclosure and Barring Service (DBS), any member of staff who, following disciplinary investigation, is dismissed or resigns because of misconduct towards a student and we may refer any concerns we have before the completion of this process.

- Meet regularly with the Executive Headteacher or their line manager
- Attend appropriate training including generalist child protection training

11. Supply Staff

11.1 Norton College will endeavour not to use supply staff, because of the vulnerability of students however if necessary will only use those agencies which operate a Safer Recruitment Policy and supply written confirmation that all relevant checks have been satisfactorily completed. Any information disclosed as part of the DBS check will be treated confidentially. These agencies should be able to demonstrate that their staff have received appropriate safeguarding training.

11.2 Norton College will carry out identity checks when the individual arrives at school.

12. Peripatetic Staff

12.1 Norton College will require that all necessary checks and DBS requirements have been satisfactorily completed for peripatetic staff.

13. Adults who supervise students on work experience

13.1 If the College is organising work experience placements, the College will ensure that the placement provider has policies and procedures in place to protect students from harm.

13.2 Barred list checks by the DBS might be required on some people who supervise a student under the age of 16 on a work experience placement. In such cases, the school will consider the specific circumstances of the work experience. Consideration will be given in particular to the nature of the supervision and the frequency of the activity being supervised, to determine what, if

any, checks are necessary. These considerations will include whether the person providing the teaching/training/instruction/supervision to the student on work experience will be:

- Unsupervised themselves.
- Providing the teaching/training/instruction/supervision frequently (more than three days in a 30-day period or overnight).

If the person working with the student is unsupervised and the same person is in frequent contact with the student, the work is likely to be regulated activity. In this case, the College will ask the employer providing the work experience to ensure that the person providing the instruction or training is not a barred person.

13.3 If the activity undertaken by the student on work experience takes place in a 'specified place', such as the College, and gives the opportunity for contact with other students, this may itself be considered regulated activity. In these cases, and where the child is 16 years of age or over, the work experience provider will consider whether a DBS enhanced check should be requested for the child/young person in question. DBS checks cannot be requested for children/young people under the age of 16.
