**A year 11 student at NCT has been nominated by the Gloucestershire Constabulary for The Outward Bound Award 2025.**

The award celebrates a young person who showed real courage, confidence or growth on their course and creates a standout moment for their school too.

This is an extremely well-deserved nomination as R. actively seeks new opportunities; embraces every challenge and shows incredible resilience.

R. has not only completed an Outward Bound residential (with another soon to follow) but work experience in the following areas:

- Army residential
- Gloucestershire constabulary HQ
- Fire Service
- RAF

RESILIENCE, AND GROWTH**

## Fired UP - 3-day course at Skillzone , Gloucester 24-26 March 2025

SkillZONE's FiredUP 3-day programme aims to address the critical issue of community safety and behaviour among young individuals, providing comprehensive interventions that foster change, empowerment and resilience.

SkillZONE focuses on equipping individuals with essential life skills and vocational training opportunities to help participants develop social and emotional capabilities.

The programme is delivered by firefighters and is designed to challenge and develop the participants by getting them to:

- Work co-operatively within a team environment
- Gain self-esteem and self-confidence
- Improve communication skills
- Gain an insight into lifesaving First Aid skills
- Learn about road and passenger safety
