## Faster Autism and ADHD Assessments for Your Child Through NHS Right to Choose

### Are you waiting for an autism or ADHD assessment?

Long waiting times can be stressful and uncertain for families. Through the NHS Right to Choose, you may be able to access a quicker assessment for your child with Momenta Connect.

### What is Right to Choose?

Right to Choose is an NHS policy in England that allows parents to choose who provides their child's autism or ADHD assessment. Instead of waiting for a local service, you can ask your GP to refer your child to Momenta Connect for an NHS-funded assessment.

### How can I access the Right to Choose with Momenta Connect?

#### We'll guide you every step of the way:

1. Email us at [diagnostics@momentaconnect.co.uk](mailto:diagnostics@momentaconnect.co.uk)
2. We'll send you a Right to Choose letter for your GP
3. Ask your GP to complete and send the letter, naming Momenta Connect
4. Once we receive the referral, we'll contact you to book the assessment
