

Animal Experience Activity

KS3,4 & 5

Some of the students overcame fears and asked Hazel questions about the animals

Students encouraged each other (and staff) to handle the animals but also respected those who did not feel comfortable

Aim	To practise group work skills To enhance Communication and Interaction skills
Activity	Students to interact with the animals in a group setting.
Extension	Research jobs related to animal care
CDI Framework Outcomes	<p>KS3 – Explore Possibilities – Actively take part in employer led activities to develop networking skills</p> <p>KS3 – Manage Careers - Recognise the skills and qualities needed for the world of work through activities/experiences</p> <p>KS3 – See the big picture - Identify the different kinds of work that people do and say why people’s job satisfaction varies as personal situations change</p> <p>KS4 - Grow throughout life - Keep and maintain my career action plan highlighting experiences and achievements, reflecting on what I have learned</p> <p>KS5 – Balance Life and Work- Investigate a range of health and safety issues</p>
Gatsby Benchmarks	<p>4 Linking curriculum learning to careers</p> <p>5 Encounters with Employers</p>
