

As part of our newly introduced PFA Pledge, students have completed an AQA unit award : **Taking Part in a shoebox appeal**.

Students researched our local area and decided where they would like to donate their gifts, this festive season. One of the communities was a local residential home for the Elderly.

Each student demonstrated an awareness of making a positive impact on communities in need; wrote a thoughtful card; purchased gifts and kept within a set budget. Students created a presentation documenting each step.

Students visited the residential home to donate their gifts and spent time talking with the residents showing great respect and thoughtfulness.

Jenny who piloted the project said “ I was so happy to see the students spreading Christmas joy”.

Taking part in a shoebox appeal
